wear

were

beat

bit

8. Read the passage below and answer the questions that follow.

Food

Food is something good to eat or drink. Food gives us energy. Some food makes us grow well and others protect us from diseases. We get energy when we eat food like cassava, posho, sweet potatoes.

And when we want to grow well, we need to eat food like fish, beans, and meat and others. In order to protect yourself from diseases, eat fruits like mangoes, passion fruits, avocado, watermelon among others. We get food from plants, animals and birds.

Questions

a) What is the passage about?

b) Of what importance is food to us?

c) Write any **three** examples of food that makes us grow well.

i) _____ ii) _____
