Rain

Mother rain, mother rain,
Clouds are seen first in the sky,
Strong wind blows away everything,
Little rain drops are seen.
So funnily, she comes.

She washes away the dust,
She washes away the top soil,
She destroys the crops, She leaves the land bear
She destroys the crops Farmers cry,
So funnily, she does it.

She gives us water.
She makes the soil soft Crops grow well Farmers feel happy
So funnily, she does it.
