Read the story and answer the questions that follow in full sentences

One Saturday, we work up very early in the morning, we got the hoes and baskets ready to go to the garden. When we reached the garden, we started harvest groundnuts. When my grandmother saw me, she warned me that raw groundnuts may cause stomach ache to me. Due to the sweetness, I did not listen to her. By the end of the day, my stomach was full. I started feeling stomach ache and started vomiting. I developed a serious fever.

I was taken to the hospital where I spent four days.
